Our free workshops feature expert speakers including trained advocates, allies and LGBTQ+ individuals from NE Ohio & our own community as well as physicians and mental health professionals, topic depending.

Join us in a non-judgemental space to learn how you can do more to actively support our LGBTQ+ community!

This powerful workshop will offer:

- Background information regarding LGBTQ+ topics and inclusive language
- Education and interactive sessions to help you deepen your own self-awareness and understanding
- Practical ways to advocate for our LGBTQ+ friends, family and neighbors
- Action items to help you stand in solidarity and help make change

Allyship is more than just friendship — it's about action, advocacy, and helping to create truly inclusive spaces.
